

*June, 2010*

*To: Parents of Students in the Kaleidoscope Extended Day Program  
From: Kaleidoscope Staff*

*Welcome to the Kaleidoscope Extended Day Program, ably directed for many years by Mrs. Colleen Dolan, Reading Specialist at High Plain Elementary School in Andover. The Extended Day staff also includes: Matthew Walsh, Dan Peikin, Laura Cedrone, and Amy Pinciak. In addition, a minimum of five (5) of our terrific Kaleidoscope aides will be working with your children during this time.*

*For the security of your children and our staff, all doors to Pike School will be locked at 3:00 PM, with the exception of the doors in the back of the building (nearest to the cafeteria). Those are the doors that you should use. Once inside, you can sign out your child(ren) with Colleen. Please let anyone else who may be picking up your child(ren) know that they should use these doors and have valid identification.*

*The phone number to the Extended Day Program (from 2:30-5:00 PM) is (978) 475-1197, Extension 6603. If you cannot reach anyone at that number, you should call our year-round office number (978-475-1422). Another option is our director's cell phone (508-662-9751).*

*One of our staff members takes interested children into the gym for supervised activities; therefore, it is important for you to know that no dark-soled shoes are allowed on the gym floor. Please keep this in mind if you think your child will want to use the gym during the Extended Day Program.*

*On Friday, July 23, our Musical Theater course will present "The Pied Piper" in the beautiful Pike School theater. Tickets are \$5. You can purchase a ticket for your child from the Extended Day staff at any time. Our staff will hold your child's ticket and will take him/her to the show, stay there, and bring him/her back to the Extended Day Program afterwards. The program runs from 2:45-3:45 PM. Proceeds from ticket sales benefit our Scholarship Fund.*

*Please let us know if you have any questions. Our daytime phone number (from July 6-30) is (978) 475-1197, Extension 6618.*
